Good morning

I just want to check to see if you have all needed information regarding our request for the Permanone samples and containers. And if our request is granted, when can we expect the samples?

Thank you

Thuy

Hi Tom

The more the merrier 😊

Besides technical discussion, I also would like to request sample of Permanone 30-30 and related containers for testing  
Is that ok with you?

Talk to you all tomorrow

Thuy,

Many thanks for this opportunity for a technical discussion tomorrow. Assuming EPA attendance will be limited to you and Yaorong, we will limit Bayer's participation to our two technical experts only—Mitch and Kent who are copied here. Mitch and Kent are most familiar with testing analytics and sampling, and will be prepared to discuss Bayer's questions directly with you and your team. Any other Bayer acceptances of your invite will be declined. Please confirm that this is acceptable.

Thanks,

Tom
